Grading

Grading Item	Weight	Comments
Labs	10%	- Total of 13 Labs. - The single lowest one gets dropped.
Assignments	40%	- Total of 7 Assignments. - The single lowest one gets dropped.
Midterm	20%	
Final	30%	- Comprehensive. - Bonus points. - If higher than the midterm, it overrides the midterm grade.

The Midterm will not override the Final.

No Late Work is accepted

You can get up to 5 bonus points toward your Final grade.

Attend the CCSE Tutoring Center to earn those points. Each visit/appointment will count 0.5 points.

More info on the Tutoring Center in the FYE website.

Assignments and Labs Submission

- Assignments and Labs are submitted through Gradescope

Submission Guidelines

Integrated Development Environments

 <https://ccse.kennesaw.edu/fye/submissionguidelines.php>

- This is a Java sections. Your source code must be with the extension .java
 - Ex:
Lab1A.java
- Any other extension will result in an automatic 0
- Name your files correctly
 - Ex:
Lab 1 has three parts A, B, and C. When you submit them, make sure they are named as instructed:
 - Lab1A.java
 - Lab1B.java
 - Lab1C.java
 - Submit only what it is required, any extra file that is not .java will result in a penalization towards the grading of the assignment or lab.
 - Carefully read the whole instruction manual, it may contain important and specific information and requirements.

Getting Started

Welcome to CCSE's First-Year Experience (FYE)! If you're reading this, you're probably either in CSE 1300, CSE 1321 or CSE 1322. This page is here to get you started and is intentionally minimalistic. The FYE website serves as a central repository for

 https://ccse.kennesaw.edu/fye/getting_started.php

- **Gradescope**

Gradescope | Save time grading

Grade your existing paper-based assignments in half the time and see exactly what your students learned, for free.

 <https://www.gradescope.com/>

Q1. Calculus

Q1.1 [3pt] What is the integral of x^2 ?

x^2
Grade quickly using
reusable rubric items

Question 1

TOTAL POINTS

0/3.0 pts

Rubric Settings

1 -0.0

Correct

2 -1.0

Missing 1/2

3 -2.0

Missing Constant

+ Add Rubric Item

- You should have received an email from Gradescope.
- Submit lab, assignments, midterm, and final.
- For this section, submit only .java files unless specified otherwise.
- Double check source code submitted.
